This two-story frame house measures three bays wide by two bays deep. A prominent cross-gable distinguishes the facade. The gable-roofed house includes a front porch and a rear kitchen section. 1/1 sash windows light the dwelling.

The west facade features a central entrance, turned porch posts, and the cross-gable lit by a four-pane window. First-floor facade windows are paired. An interior brick chimney heats either end.

Asphalt shingles cover the roof. Aluminum siding on the walls retained the flat-board architraves. The foundation has been covered with cement.

A small gable-roofed frame shed stands behind the house.
